Tested by: Julia Castillo Breeder Comments:	<p><i>She is a sweet beta puppy! She has a good energy level, and loves meeting new people. She is gentle, sweet, and very confident in new situations. She is smart and will be very easy to train. Her energy level can be easily drained with daily walks. This is one happy-go-lucky, take on the world, ready when you are puppy. She will do fantastic in all homes. A very sweet natured puppy and would do well as a therapy or emotional support dog.</i></p>
